

Junior & Youth Sailing 2022

Junior Topper 4.2 Race Series

- To encourage our Junior Class sailors to participate in the 'Topper Points' series on a Saturday afternoon, the Topper Class has elected to run a mini race series within the 'Topper Points' for sailors wishing to compete with a 4.2 sail.
- The Topper Points series is a race lasting approximately 60-90 minutes and is open to all junior and youth sailors wanting to progress to club racing and develop their sailing technique using the whole lake whilst learning from our more experienced Topper sailors within the club.
- The Topper Points will run on the following dates starting at 14:20 with four races being required to qualify by the end of the last race. A quorum of three boats is required for a race to count.
- The Topper Points series is a natural progression into club racing and improving your own sailing.

We hope that you will support the Topper Class to keep this race series running

MAY 2022:

Sat 21/05/2022 Junior Topper Points Series #1

JUL 2022:

Sat 09/07/2022 Junior Topper Points Series #2
