

Commodores Cup 2023

Calling all Chipstead SC Junior and Youth Helms

The Commodore's Cup is a handicap race lasting approximately 35 to 45 minutes and is open to all Chipstead SC junior and youth sailors with helm and crew both under the age of 19 at the start of the calendar year.

The Commodores Cup will run on the following dates starting at 12:10 with five races being required to qualify by the end of the last race. A quorum of three boats is required for a race to count.

The Commodore's Cup is a natural progression into club racing and improving your own sailing.

We hope that you will support the Junior Class to keep this race series running.
