

Junior & Youth Sailing 2023

Topper Class Junior Race Series

- To encourage our CSC Junior Class sailors to participate in the 'Topper Points' series on a Saturday afternoon, the Topper Class has elected to run a mini race series within the 'Topper Points' for junior sailors wishing to compete with either a 5.3 or a 4.2 sail.
- The Topper Points series is a race lasting approximately 60-90 minutes and is open to all junior and youth sailors wanting to progress to club racing and develop their sailing technique using the whole lake whilst learning from our more experienced Topper sailors within the club.
- The Topper Points will run on the following dates starting at 14:20 with four races being required to qualify by the end of the last race. A quorum of three boats is required for a race to count.

We hope that you will support the Topper Class to keep this race series running

MAY 2023:	
Sat 13/05/2023	Junior Topper Points Series #1
JUN 2023:	
Sat 24/06/2023	Junior Topper Points Series #2
